3RD ANNUAL

National Education Week

NOVEMBER 9-11, 2015 ★ WASHINGTON, DC

National Education Week hosts three days of panels, keynotes and interactive sessions. Learn first-hand what's working in education innovation and entrepreneurship—in the K-12 classroom, on college campuses, in the heart of education businesses and in the minds of entrepreneurs.

National Education Week offers opportunities to:

EXCHANGE BEST PRACTICES

Hear about best practices and share with your organization.

FORGE NEW PARTNERSHIPS

Learn about cutting edge, established and emerging organizations that are looking for partners to amplify their impact.

REACH KEY CONSTITUENCIES

National Education Week attracts a broad audience of senior decision makers and innovators.

IDENTIFY POTENTIAL INVESTMENTS

Find the latest promising education ventures that are poised to become tomorrow's scaled businesses and headline innovators.

SAVE
\$300

A Special Offer for You

Save \$300 when you register for our flagship event, National Education Week. Our extended discounted rate is available to all attendees of this year's Adaptive Learning Summit when you register before **SEPTEMBER 15TH**.
